The Darkness That Rules

👁 39 ✔ 2 ⭐ 5

Chapter 1 by Jack Frost

The darkness has raised me since I was very young.

I always got into fights at school, I thought I was used to it. But one day I lost control.

A boy by the name of Tommy always bullied me. One day he pushed me against a locker and started beating me up. Nothing seemed particularly different about my beating that day. Maybe I had just had enough. Something clicked in my head. A voice started telling me to defend myself. It said "ARn'T YoU TIred Of GetTinG BeAT Up?DoN'T You WanT to Know WhaT Real PowEr FeELs LikE?"

"Yes," I whispered. Then suddenly i felt more powerful, like I could do anything, like.....like...like I could beat him up.

I stood up, and grabbed a locker door and swung it open against his face.

Shocked he stumbled back holding his face with a confused look on his face. "You're gonna pay for that, "he said running after me. I led him to the science room.

There I knew there was something I could use.

I turned around to see him coming after me, with a raised fist. I was scared at first, then i noticed something, a spike. A weapon.

His blood was all over my hands, and shirt.
Miss Macentire, looked at me, and said "WHAT HAVE YOU DONE?"with fear in her voice.
I looked at her and smiled."I killed him, and your next."I grabbed the metal spiked and rammed it in her skull.

Every one ran towards the door but they were to slow.I got to the door first and locked it from the outside.Then closed the door.They were locked inside with me.There was 5 people in the room including me.The darkness inside of me was growing, and i loved it.
"KiLl ThEm AlL AnD FEaSt On ThEiR FleSh."The darkness said.

I Grabbed the first person near me snapped their neck.His body dropped to the ground lifeless."WHO'S NEXT."I said laughing with a smile on my face that reached from ear to ear.I grabbed two glass bottles that had acid in it and threw it on Miss Martieh's face.She screamed with agony as the acid tore her face open and burned her skin off.Next was Alexandra greene, or so i liked to call her, BITCH.I grabbed her hair and pulled her face to mine and said "You know i always liked you, i thought you were pretty, and sweet.But that sweetness is gonna be your death."She started weeping as i grabbed her, turned her around and raped her.After that i skinned her alive.Every one was dead, and the darkness has consumed me.

It said "WeLComE My ChIlD FoR YoU ArE NoW MiNe."
